About us

Tekhmoz Enterprises Limited is one of the leading dealers of hardware, tools and electrical products in Kenya.

We are dealers of several world known brands from Europe, America, Africa and Asia. We have been able to blend the best of trading and distribution models.

Our hybrid approach allows us to be a total building solution provider under one roof. We supply a vast range of general hardware, building materials, wood products, steel products, power tools, hand tools, domestic & industrial electrical goods and many more to cater needs of construction, workshops, aviation and manufacturing industries.

Tekhmoz Enterprises Limited was established in 2017 as a sole proprietor. In 2021, the business was incorporated as a Limited company and is independently and professionally managed.

Vision

To become an indispensable partner to our clients by offering the finest products in the field of hardware materials combined with being cost effective and efficient.

Mission

To become the leading supplier in Kenya by providing high quality products by partnering with renown manufacturers and importers to fulfill our clients' expectations and to have a competitive advantage.

Company strategy

- ✓ Expansion of the product portfolio
- ✓ Persistent efforts to increase the company's market share
- ✓ Targeting specific customer segments
- ✓ Strengthening relationships with current partners & simultaneously developing new partners
- ✓ Enhancement of systems and inventory management.

Message from the director

Since the inception of Tekhmoz Enterprises Limited, we have had a past that we can be proud of, we hold dear to our hearts, the future hopes and aspirations of the team that guide this business.

Without doubt we have the people and the resources to lead this enterprise to a bright future. We owe our success to hard work, dedication and determination of a great team. We have earned trust and respect and I'm confident that we will grow from strength to strength in our endeavour to make this a business that delivers value and satisfaction to its growing base of valued clients.

We bring to our clients much wanted human values, integrity, trust and an assurance of responsibility, all coupled with our expertise.

Our biggest assets have always been our small but highly trained team of professionals who are backed by a very able team of administrators. We have a clear vision on building onto our strengths and our achievements while holding dear to us our basic principles.

Zahir

Mohamed Zahir, Managing Director
